

We are a **network** organization that fosters effective **global engagement and inclusive dialogue** through our:

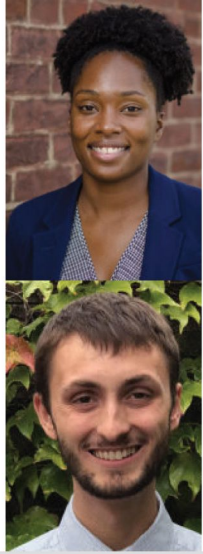

SPACE

We offer an affordable space to increase collaboration and amplify impact of organizations and initiatives.

HUB

We showcase the people, projects and organizations in our network, and offer a platform to share perspectives from our members.

WHAT IS OUR PURPOSE?

To create conditions for our local community to engage the world in ways that promote:

- Peace
- Cooperation
- Mutual understanding
- Human rights
- Human dignity

WHAT ARE OUR GOALS?

1. Full inclusion of the region's immigrant and refugee community in civic life.
2. Equitable access to global education opportunities.
3. Broad celebration of cultural diversity and exchange.
4. Critical concern for world-wide health and well-being.
5. Ethical, responsible, and inclusive innovation and entrepreneurship.

WHAT IS OUR STRATEGY?

1. Build a network of organizations and individuals who can share our goals.
2. Provide resources to the network to amplify individual and organizational impact through our space and hub.
3. **Activate the network by:**
 - a. convening affinity groups around shared goals.
 - b. identifying barriers to reaching shared goals.
 - c. outlining approaches to overcome barriers, through the development of short and long term campaigns.
 - d. leading the collective implementation of short and long term campaigns
